BREAKING THROUGH: OUR TURN TO PLAY

- Lifetime Original Special

Academy Award Winning Actress Geena Davis hosts "BREAKING THROUGH: Our Turn To Play" which focuses on Title IX, a law passed by Congress twenty-five years ago that paved the way for women to break through the barricades that existed in college athletics. In this Lifetime Original Special you will meet some of the women whose lives define the changes brought about by this legislation. To these women, and thousands of women and girls in similar situations, Title IX is more than a document. With its mandate... that athletic programs receiving federal funds provide women with opportunities in proportion to their percentage of the student body, Title IX has shaped the face of women's sports in the United States today.
